Mercedes Benz ADA Wheelchair Accessible Sprinter

Blasian custom designed Mercedes-Benz mobility van offers performance, convenience, and an unparalleled luxury experience. This vehicle comfortably seats 1-2 wheelchair passengers as well as 9-10 additional passengers. The UVL (Under Vehicle Lift) extends from under the van when needed and retracts under the van when not in use. When it comes to disabilities/mobility, Blasian understands the importance of comfort and accessibility without sacrificing style.

Blasian offers the Becker Mercedes-Benz JetVan Along with a line of other transportation options

About the Mercedes-Benz Sprinter

The latest generation Sprinter, built in Germany by Mercedes-Benz, offers JetVan passengers the finest, safest, and most reliable luxury.

Smooth and Quiet

True luxury transportation means a smooth, quiet ride that meets highest expectations. Aviation level sound deadening and noise isolation is engineered into every JetVan. Advanced Mercedes Benz approved suspension upgrades and chassis refinements ensure a comfortable ride regardless of road surface.

Ultimate Seating

Becker's proprietary orthopedic electric lounge seating offers unmatched comfort and luxury. All passengers will enjoy a living room experience and arrive at their destination relaxed and refreshed.
